*More than 45 knowledge sessions will be conducted, such as theme-specific discussions, state and country-wise conferences*

**NARESH BISWANI**

**NEW DELHI:** The Ministry of Food Processing Industries (MoFPI) is organising the fourth edition of World Food India (WFI) 2025 between September 25 and 28 in New Delhi. Spanning 100,000 square metres, the mega international food event will converge stakeholders from over 21 countries, 21 Indian states and union territories, 10 central ministries, and 5 allied government organisations, making it India's largest congregation in the food processing industry.

The event will be addressed

by Prime Minister Narendra Modi on September 25. The inaugural session will be graced by the presence of Deputy Prime Minister of the Russian Federation Dmitry Patrushev, Union Minister of Road Transport and Highways Nitin Gadkari, Union Minister of Food Processing Industries Chirag Paswan, and Minister of State for Food Processing Industries and Railways Ravneet Singh Bittu.

Emphasising the vision of the event, Union Minister Chirag Paswan stated that World Food India is not just an exhibition but a transformational platform to establish India as

a food innovation, investment, and sustainable food hub of the world. He stated that the

event upholds the government's focus on developing sustainable, inclusive, and future-proof food

systems and enhances India's role as the "Food Basket of the World. This year's edition will witness the involvement of over 1,700 exhibitors, 500 overseas buyers, and over 100 countries' delegates.

More than 45 knowledge sessions will be conducted, such as theme-specific discussions, state and country-wise conferences, and CXO roundtables with over 100 international agri-food leaders. New Zealand and Saudi Arabia are partner countries for this year, while the focus countries are Japan, Russia, the UAE, and Vietnam.

In addition to the core exhibition, there will be a series of major events hosted in parallel, such as the 3rd Global Food Regulators Summit hosted by FSSAI to standardise food safety globally, the 24th India International Seafood Show to project India's seafood export opportunity, and APEDAs Reverse Buyer-Seller Meet with more than 1,000 buyers anticipated. Pavilions dedicated to international and state delegations, ministries, technology, pet food, and start-up innovations will be displayed.

The event is framed under five thematic pillars: net zero food processing and sustain-

ability, India as a global food processing destination, product and packaging innovations, nutrition and wellness, and livestock and seafood products as rural economy drivers.

As the event unfolded, Union Minister Chirag Paswan also released a publication called "Frequently Asked Questions on Different Concepts of Food Processing". Industry stakeholders were consulted in preparing the publication, which aimed to dispel myths surrounding processed foods and present science-based data to encourage informed consumer choices.

**THE GOVERNMENT EXPECTS** a significant increase in investment commitments in this year's World Food India (WFI), food processing minister Chirag Paswan said on Tuesday.

"We are expecting a good leap in the investment commitment in the fourth WFI building on the success of previous editions," Paswan said at the briefing. During the 2023 edition, MoUs worth ₹33,000 crore were signed.

Prime Minister Narendra Modi will inaugurate the fourth edition of World Food India on September 25.

Over 500 global buyers and representatives from 100 countries will be participating in the global event.

"WFI is not merely a trade show, but a transformative platform to position India as a

Over 21 countries, with New Zealand and Saudi Arabia as partner countries, and Japan, Russia, the UAE, and Vietnam as focus countries, are participating in the event.

"Despite huge production, we have not been able to reach higher processing levels. There is concern about post-harvest losses, which can be addressed through processing," he said.

To address misconceptions about processed foods, the ministry released a booklet titled 'frequently asked questions on different concepts of

food processing'.

**Procurement of pulses & oilseeds in UP & Gujarat**

To ensure that farmers get remunerative prices, agriculture minister Shivraj Singh Chouhan on Tuesday approved procurement of pulses and oilseeds under the price support scheme (PSS) for Uttar Pradesh and Gujarat for the kharif 2025-26 season.

The agriculture ministry has agreed to procure in Uttar Pradesh, about 0.22 MT of urad, 0.11 MT of tur, 1,983 tonnes of moong, 30,410 tonnes of sesame and 99,438 tonnes of groundnut, an official statement said. In Gujarat, the agencies – Nafed and NCCF in collaboration with state agencies will buy 47,780 tonnes of urad, 4,415 tonnes of moong, 0.1 MT of soyabean, and 1.2 MT of groundnut.

## PM Modi to kick off World Food India 2025 in Delhi on Thursday

New Delhi, Sept 23 (IANS) Prime Minister Narendra Modi will on Thursday inaugurate the World Food India (WFI) 2025, which will see the participation of more than 21 countries along with 21 Indian states and UTs, 10 Central Ministries and 5 allied government organisations, making it the largest congregation of stakeholders in India's food processing sector. New Zealand and Saudi Arabia are the partner countries, while Japan, Russia, the UAE, and Vietnam are the focus countries for WFI 2025 to be held from September 25 to 28 at the Bharat Mandapam here.

The inaugural session will be attended by Russia's Deputy Prime Minister Dmitry Patrushev, Union Minister of Road Transport and Highways Nitin Gadkari and Union Minister of Food Process-

ing Industries Chirag Paswan.

WFI 2025 will see the participation of over 1,700 exhibitors, more than 500 international buyers, and representatives from over 100 nations. Over 45 knowledge sessions, including thematic discussions, state and country-specific conferences, and CXO roundtables with more than 100 global agri-food leaders, will be held.

Prime Minister Modi on Tuesday highlighted how World Food India 2025 serves as a strategic platform for India to become a global food basket.

PM Modi was responding on X to an article by Paswan, which states that the mega event is a powerful example of cooperative federalism, as 21 states and Union Territories will enrich the event, with pavilions highlighting regional strengths.

Prime Minister Narendra Modi will inaugurate the fourth edition of World Food India on September 25. It aims to attract greater investments in the domestic food processing sector and position India as a global hub for food innovation.

The mega event, to be held at Bharat Mandapam in the national capital, will witness participation from Russian Federation Deputy Prime Minister Dmitry Patrishev alongside Union Ministers Nitin Gadkari (Road Transport), Chirag Paswan (Food Processing Industries), and Minister of State Ravneet Singh Bittu.

"World Food India is not merely a trade show, but a transformative platform to

position India as a global hub for food innovation, investment, and sustainability," Paswan told reporters on Tuesday.

## UNTAPPED POTENTIAL

He said that the government expects to see a "significant leap" in investment commitments this year.

During the 2023 edition, MoUs worth ₹33,000 crore were signed, while the 2024 edition focused on technology transfer agreements.

Highlighting the untapped potential in India's food processing sector, he added that despite the country being among the world's top five producers of key crops, food processing levels remain suboptimal. "Despite huge production, we have not been able to reach higher processing levels. There is concern about post-harvest

losses, which can be addressed through processing," Paswan said.

The Ministry also released a booklet, titled *Frequently Asked Questions on different concepts of food processing*. "There are misconceptions and misleading advertisements and social media narratives that processed foods lead to weight gain and cause diseases. These concerns are addressed in the booklet," Paswan explained.

Over 21 countries, with New Zealand and Saudi Arabia as partner countries, and Japan, Russia, the UAE, and Vietnam as focus countries, are participating in the event. Around 21 States/ Union Territories, 10 Central Ministries and five allied government organisations with 1,700-plus exhibitors are expected to participate in the four-day event.

## DELHI NAVRATRI FOOD POISONING

# Will not compromise on quality: Minister Chirag

HANS NEWS SERVICE  
NEW DELHI

FOOD Processing Industries Minister Chirag Paswan on Tuesday assured a thorough investigation into the food poisoning incident that affected around 200 people in northwest Delhi after consuming buckwheat flour ('kuttu ka atta') during the ongoing Navratri fasting.

Speaking on the development at a media briefing on the upcoming World Food India event here, Paswan said, "This issue does not come directly under my ministry. Definitely, it is our responsibility if such issues come, there should be an investigation. We will not com-

promise on the quality of the processed foods."

The incident, which came to light early Tuesday morning, has affected residents from various areas, including Jahangirpuri, Mahendra Park, Samaypur, Bhalswa Dairy, Lal Bagh and Swaroop Nagar. The Jahangirpuri Police Station received information at 6:10 am about a large

number of people reporting uneasiness after consuming the flour.

"Whenever the government receives such complaints, it is investigated by our officials and through FS-SAI. We ensure there is a full investigation on adulteration in foods," Paswan stated, emphasising the government's zero-tolerance approach to-

wards food safety violations.

The minister expressed particular concern about the timing of the incident: "During the Navratri festival, kuttu ka atta (buckwheat flour) is consumed widely. When such reports are surfaced at this time, I want to assure you that an investigation will be conducted."

Medical teams have promptly provided care and supportive treatment to those affected, with patients being treated at Babu Jagjivan Ram Hospital.

Paswan criticised what he termed "the profit-making mindset of some societal elements" who compromise public health for financial gain.

## प्रधानमंत्री करेंगे 'वर्ल्ड फूड इंडिया' का उद्घाटन नई दिल्ली (भाषा)।

प्रधानमंत्री नरेन्द्र मोदी 25 सितंबर को 'वर्ल्ड फूड इंडिया' के चौथे संस्करण का उद्घाटन करेंगे। इस कार्यक्रम का उद्देश्य घरेलू खाद्य प्रसंस्करण क्षेत्र में अधिक निवेश आकर्षित करना और भारत को खाद्य क्षेत्र में नवोन्मेष के वैश्विक केंद्र के रूप में स्थापित करना है।

राष्ट्रीय राजधानी के भारत मंडपम में आयोजित होने वाले इस आयोजन में रूस के उप-प्रधानमंत्री दिमित्री पत्रिशेव के साथ-साथ केंद्रीय मंत्री नितिन गडकरी (सड़क परिवहन), चिराग पासवान (खाद्य प्रसंस्करण उद्योग) और राज्यमंत्री (खाद्य प्रसंस्करण उद्योग) रवनीत सिंह बिट्टू भी भाग लेंगे। पासवान ने इस आयोजन के बारे में संवाददाताओं को जानकारी देते हुए कहा, 'वर्ल्ड फूड इंडिया केवल एक व्यापार प्रदर्शनी नहीं है, बल्कि भारत को खाद्य नवोन्मेष, निवेश और पर्यावरण अनुकूल उपायों के वैश्विक केंद्र के रूप में स्थापित करने का एक परिवर्तनकारी मंच है।'

उन्होंने कहा कि सरकार को पिछले संस्करणों की सफलता को देखते हुए इस वर्ष निवेश प्रतिबद्धताओं में उल्लेखनीय वृद्धि की उम्मीद है। उल्लेखनीय है कि 2023 में हुए इस कार्यक्रम के दौरान, 33,000 करोड़ रुपये के समझौता ज्ञापन पर हस्ताक्षर किए गए।

प्रधानमंत्री नरेन्द्र मोदी 25 सितंबर को 'वर्ल्ड फूड इंडिया' के चौथे संस्करण का उद्घाटन करेंगे। इस कार्यक्रम का उद्देश्य घरेलू खाद्य प्रसंस्करण क्षेत्र में अधिक निवेश आकर्षित करना और भारत को खाद्य क्षेत्र में नवोन्मेष के वैश्विक केंद्र के रूप में स्थापित करना है। राष्ट्रीय राजधानी के भारत मंडपम में आयोजित होने वाले इस आयोजन में रूस के उप-प्रधानमंत्री दिमित्री पत्रिशेव के साथ-साथ केंद्रीय मंत्री नितिन गडकरी (सड़क परिवहन), चिराग पासवान (खाद्य प्रसंस्करण उद्योग) और राज्यमंत्री रवनीत सिंह बिट्टू भी भाग लेंगे। चिराग पासवान ने इस आयोजन के बारे में संवाददाताओं को जानकारी देते हुए कहा, वर्ल्ड फूड इंडिया केवल एक

व्यापार प्रदर्शनी नहीं है, बल्कि भारत को खाद्य नवोन्मेष, निवेश और पर्यावरण अनुकूल उपायों के वैश्विक केंद्र के रूप में स्थापित करने का एक परिवर्तनकारी मंच है। उन्होंने कहा कि सरकार को पिछले संस्करणों की सफलता को देखते हुए इस वर्ष निवेश प्रतिबद्धताओं में उल्लेखनीय वृद्धि की उम्मीद है। 2023 में हुए इस कार्यक्रम के दौरान, 33,000 करोड़ रुपये के समझौता ज्ञापन पर हस्ताक्षर किए गए, जबकि 2024 में प्रौद्योगिकी हस्तांतरण समझौतों पर ध्यान दिया गया था। पासवान ने भारत के खाद्य प्रसंस्करण क्षेत्र में उपलब्ध क्षमता का उल्लेख किया जिसका उपयोग नहीं हो पाया है। उन्होंने कहा कि दुनिया के प्रमुख फसलों के शीर्ष पांच उत्पादकों में शामिल होने के बावजूद, देश का खाद्य प्रसंस्करण स्तर अभी भी निचले स्तर पर है।

प्रधानमंत्री नरेन्द्र मोदी 25 सितंबर को वर्ल्ड फूड इंडिया के चौथे संस्करण का उद्घाटन करेंगे। इस कार्यक्रम का उद्देश्य घरेलू खाद्य प्रसंस्करण क्षेत्र में अधिक निवेश आकर्षित करना और भारत को खाद्य क्षेत्र में नवोन्मेष के वैश्विक केंद्र के रूप में स्थापित करना है। राष्ट्रीय राजधानी के भारत मंडपम में आयोजित होने वाले इस आयोजन में रूस के उप-प्रधानमंत्री दिमित्री पत्रिशेव के साथ-साथ केंद्रीय मंत्री नितिन गडकरी (सड़क परिवहन), चिराग पासवान (खाद्य प्रसंस्करण उद्योग) और राज्यमंत्री (खाद्य प्रसंस्करण उद्योग) खनीत सिंह बिट्टू भी भाग लेंगे। पासवान ने इस आयोजन के बारे में संवाददाताओं को जानकारी देते हुए कहा, वर्ल्ड फूड इंडिया केवल एक व्यापार प्रदर्शनी नहीं है, बल्कि भारत को खाद्य नवोन्मेष, निवेश और पर्यावरण अनुकूल उपायों के वैश्विक केंद्र के रूप में स्थापित करने का एक परिवर्तनकारी मंच है। उन्होंने कहा कि सरकार को पिछले संस्करणों की सफलता को देखते हुए इस वर्ष निवेश प्रतिबद्धताओं में उल्लेखनीय वृद्धि की उम्मीद है। उल्लेखनीय है कि 2023 में हुए इस कार्यक्रम के दौरान, 33,000 करोड़ रुपये के समझौता ज्ञापन पर हस्ताक्षर

किए गए, जबकि 2024 में प्रौद्योगिकी हस्तांतरण समझौतों पर ध्यान दिया गया था। पासवान ने भारत के खाद्य प्रसंस्करण क्षेत्र में उपलब्ध क्षमता का उल्लेख किया जिसका उपयोग नहीं हो पाया है। उन्होंने कहा कि दुनिया के प्रमुख फसलों के शीर्ष पांच उत्पादकों में शामिल होने के बावजूद, देश का खाद्य प्रसंस्करण स्तर अभी भी निचले स्तर पर है। उन्होंने कहा, भारी उत्पादन के बावजूद, हम उच्च प्रसंस्करण स्तर तक नहीं पहुंच पाए हैं। कटाई के बाद होने वाले नुकसान को लेकर चिंता है, जिसे प्रसंस्करण के माध्यम से दूर किया जा सकता है। मंत्रालय ने प्रसंस्कृत खाद्य पदार्थों के बारे में गलत धारणाओं को दूर करने के लिए खाद्य प्रसंस्करण की विभिन्न अवधारणाओं पर अक्सर पूछे जाने वाले प्रश्न शीर्षक से एक पुस्तिका जारी की। पासवान ने कहा, ऐसी गलत धारणाएं और भ्रामक विज्ञापन और सोशल मीडिया पर चल रही खबरें हैं कि प्रसंस्कृत खाद्य पदार्थ बर्बाद होते हैं।

New Delhi: Prime Minister Narendra Modi will inaugurate the fourth edition of World Food India on September 25, aimed at attracting greater investments in the domestic food processing sector and positioning India as a global hub for food innovation.

The mega event, to be held at Bharat Mandapam in the national capital, will witness participation from Russian Federation Deputy Prime Minister Dmitry Patrishev alongside Union Ministers Nitin Gadkari (Road Transport), Chirag Paswan (Food Processing Industries), and Minister of State Ravneet Singh Bittu.

"World Food India is not merely a trade show, but a transformative platform to position India as a global hub for food innovation, investment, and sustainability," Paswan said while briefing the media about the upcoming event. The government expects a significant leap in investment commitments this year, building on the success of previous editions, he said.

During the 2023 edition, MoUs worth Rs 33,000 crore were signed, while the 2024 edition focused on technology transfer agreements. Minister Paswan highlighted the untapped potential in India's food processing sector, noting that despite being among the world's top five producers of key crops, the country's food processing levels remain suboptimal.

"Despite huge production, we have not been able to reach higher processing levels. There is concern about post-harvest losses, which can be addressed through processing," he said. To address misconceptions about processed foods, the ministry released a booklet titled "Frequently Asked Questions on different concepts of food processing." "There are misconceptions and misleading advertisements and social media narratives that processed foods lead to weight gain and cause several diseases. These concerns are addressed in the booklet," Paswan explained.

At the press briefing ahead of the fourth edition of World Food India (WFI) 2025, scheduled from September 25-28 at Bharat Mandapam, New Delhi, Union Minister of Food Processing Industries Chirag Paswan said that GST relief had been a long-standing demand from stakeholders in the food processing sector.

"It's been more than a year since I took charge of this ministry, and every time I met industry leaders, the first concern was the need for relief in GST. It gives me great joy that today most items under my ministry are either at 5% or 0%," he said. The move, announced ahead of the festive season, is "a big relief for citizens and a reform that will strengthen India's economy in the coming days."

India is set to host World Food India 2025 from September 25–28 at Bharat Mandapam, New Delhi, with Union Minister Chirag Paswan describing the event as a defining moment for the global food sector. At a press briefing held today at the National Media Centre in Delhi, Union Minister Chirag Paswan highlighted World Food India 2025 as a milestone event set to redefine India's role in the global food economy. The summit will gather more than 1,700 exhibitors, 500 international buyers, and participants from over 100 countries, establishing itself as the world's largest congregation for food processing, agribusiness, and innovation.

### Summit to position India as a global food power

Organised by the Ministry of Food Processing Industries, World Food India 2025 is designed to position India as the "food basket of the world" and propel its trillion-dollar food economy ambitions. The event will feature representation from 21 states and union territories, 10 central ministries, and over 100 global CEOs, bringing together key stakeholders across governments, corporates, start-ups, regulators, and investors.

At the press briefing, Union minister Chirag Paswan emphasised the summit as "a transformative platform to establish India as a hub for food innovation, investment, and sustainability." Beyond an exhibition, it will serve as a forum for knowledge sharing, regulatory alignment, and global technology exchange.

### Reform momentum and GST relief

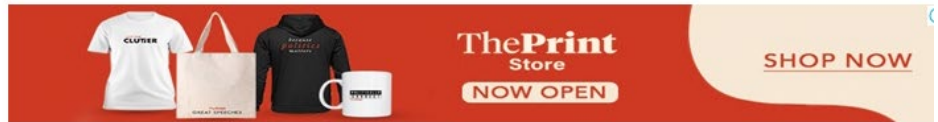

Union minister Chirag Paswan placed World Food India 2025 against the backdrop of recent economic reforms, specifically Prime Minister Modi's move to rationalise the GST regime, which

Union Food Processing Industry Minister Chirag Paswan and senior officials of his ministry releasing a booklet "Frequently asked questions on different concepts of food processing" during a media briefing on World Food India in New Delhi on Tuesday.

Prime Minister Narendra Modi will inaugurate the fourth edition of World Food India on September 25, which is aimed at attracting greater investments in the domestic food processing sector and positioning India as a global hub for food innovation.

The mega event, which will be held at Bharat Mandapam in the national capital, will witness participation from Russian Federation Deputy Prime Minister Dmitry Patrishev, Union Ministers Nitin Gadkari (Road Transport), Chirag Paswan (Food Processing Industries) and Minister of State Ravneet Singh Bittu.

"World Food India is not merely a trade show, but a transformative platform to position India as a global hub for food innovation, investment and sustainability," Paswan said while briefing the media about the upcoming event. The government expects a significant leap in investment commitments this year, building on the success of previous editions, he said.

## पीएम मोदी 25 सितंबर को डब्ल्यूएफआई का करेंगे उद्घाटन, 21 से अधिक देश होंगे शामिल

Digital Desk 02 | 23 Sep 2025 3:59 PM

नई दिल्ली। पीएम मोदी 25 सितंबर को दिल्ली में 'विश्व खाद्य भारत 2025'(डब्ल्यूएफआई) के चौथे संस्करण का उद्घाटन करेंगे। यह आयोजन भारत मंडपम में 25 से 28 सितंबर तक होगा। इसे भारत के खाद्य प्रसंस्करण क्षेत्र का अब तक का सबसे बड़ा वैश्विक सम्मेलन माना जा रहा है। इसमें 21 से अधिक देश, 21 प्रदेश, 10 केंद्रीय मंत्रालय और 5 संबद्ध सरकारी संगठन के प्रतिनिधि भाग लेंगे।

केंद्रीय खाद्य प्रसंस्करण उद्योग मंत्री चिराग पासवान ने इसकी जानकारी देते हुए मंगलवार को कहा कि डब्ल्यूएफआई केवल व्यापार मेला नहीं, बल्कि भारत को खाद्य नवाचार, निवेश और स्थिरता के वैश्विक केंद्र के रूप में स्थापित करने का परिवर्तनकारी मंच है। उन्होंने इसे भारत की भविष्य-उन्मुख, समावेशी और दीर्घकालिक खाद्य प्रणाली के प्रति प्रतिबद्धता का भी प्रतीक बताया। उन्होंने "खाद्य प्रसंस्करण की विभिन्न अवधारणाओं पर अक्सर पूछे जाने वाले प्रश्न"

देश की राजधानी दिल्ली में एक बड़े मेगा फूड इवेंट का आयोजन होने जा रहा है। इसके तहत प्रधानमंत्री मोदी वर्ल्ड फूड इंडिया (WFI) 2025 के चौथे संस्करण का 25 सितंबर को भारत मंडपम में उद्घाटन करेंगे। इस मौके पर केंद्रीय खाद्य प्रसंस्करण उद्योग मंत्री चिराग पासवान भी मौजूद रहेंगे। यह आयोजन 25 से 28 सितंबर तक चलेगा और इसमें दुनिया भर के नीति-निर्माता, उद्योग जगत के दिग्गज, निवेशक और उद्यमी शामिल होंगे।

खाद्य प्रसंस्करण उद्योग मंत्रालय (MoFPI) द्वारा आयोजित यह कार्यक्रम भारत को "फूड हब ऑफ द वर्ल्ड" बनाने की दिशा में महत्वपूर्ण कदम माना जा रहा है। इसमें निवेश, नवाचार और साझेदारी को बढ़ावा देने पर जोर रहेगा। बड़ी संख्या में घरेलू और अंतरराष्ट्रीय कंपनियां इसमें हिस्सा लेंगी। इस बार न्यूजीलैंड और सऊदी अरब पार्टनर देश, जबकि जापान, यूएई, वियतनाम और रूस फोकस देश के रूप में शामिल होंगे। इनकी भागीदारी से न केवल द्विपक्षीय संबंध मजबूत होंगे बल्कि व्यापार और निवेश के नए अवसर भी खुलेंगे।

आयोजन में उच्च स्तरीय पैनल चर्चाएं होंगी, जिनमें वैश्विक विशेषज्ञ, नीति-निर्माता और उद्योग प्रतिनिधि शामिल रहेंगे। इसके अलावा सेक्टरल एग्जिबिशन में खाद्य प्रसंस्करण, पैकेजिंग, मशीनरी, कोल्ड चेन और अन्य क्षेत्रों की नवीनतम तकनीक और समाधान प्रदर्शित किए जाएंगे। बी2बी और बी2जी नेटवर्किंग सत्र भी होंगे, जो रणनीतिक साझेदारी और सहयोग को बढ़ावा देंगे। साथ ही भारत की समृद्ध खाद्य विविधता और भविष्य की फूड ट्रेंड्स को दिखाने के लिए कुकिंग शो और शेफ प्रतियोगिताएं भी आकर्षण का केंद्र रहेंगी।

इस दौरान दो बड़े अंतरराष्ट्रीय आयोजन भी होंगे। पहला है एफएसएसएआई द्वारा आयोजित तीसरा ग्लोबल फूड रेगुलेटर्स समिट, जिसमें वैश्विक नियामक खाद्य सुरक्षा मानकों और सहयोग पर चर्चा करेंगे। दूसरा 24वां इंडिया इंटरनेशनल सीफूड शो (IIFS) जिसे सीफूड एक्सपोर्टर्स एसोसिएशन ऑफ इंडिया (SEAI) आयोजित करेगा और इसमें भारत की समुद्री खाद्य निर्यात क्षमता पर फोकस किया जाएगा।

इस बीच, 11 सितंबर को केंद्रीय मंत्री चिराग पासवान ने भारत मंडपम का दौरा किया और तैयारियों का जायजा लिया। उन्होंने स्थल की रूपरेखा, लॉजिस्टिक्स, स्टॉल प्लानिंग, सुरक्षा इंतजाम और अंतरराष्ट्रीय मेहमानों के स्वागत की समीक्षा की। उन्होंने अधिकारियों से कहा कि सभी तैयारियां अंतरराष्ट्रीय मानकों के अनुरूप हों और प्रतिभागियों को विश्वस्तरीय अनुभव मिले।

## World Food India 2025 to showcase India as food innovation hub

<https://www.millenniumpost.in/amp/business/world-food-india-2025-to-showcase-india-as-food-innovation-hub-628519>

NEW DELHI: The Ministry of Food Processing Industries (MoFPI) is organising the fourth edition of World Food India (WFI) 2025 between September 25 and 28 in New Delhi. Spanning 100,000 square metres, the mega international food event will converge stakeholders from over 21 countries, 21 Indian states and union territories, 10 central ministries, and 5 allied government organisations, making it India's largest congregation in the food processing industry.

The event will be addressed by Prime Minister Narendra Modi on September 25. The inaugural session will be graced by the presence of Deputy Prime Minister of the Russian Federation Dmitry Patrushev, Union Minister of Road Transport and Highways Nitin Gadkari, Union Minister of Food Processing Industries Chirag Paswan, and Minister of State for Food Processing Industries and Railways Ravneet Singh Bittu.

Emphasising the vision of the event, Union Minister Chirag Paswan stated that World Food India is not just an exhibition but a transformational platform to establish India as a food innovation, investment, and sustainable food hub of the world. He stated that the event upholds the government's focus on developing sustainable, inclusive, and future-proof food systems and enhances India's role as the "Food Basket of the World. This year's edition will witness the involvement of over 1,700 exhibitors, 500 overseas buyers, and over 100 countries' delegates.

More than 45 knowledge sessions will be conducted, such as theme-specific discussions, state and country-wise conferences, and CXO roundtables with over 100 international agri-food leaders. New Zealand and Saudi Arabia are partner countries for this year, while the focus countries are Japan, Russia, the UAE, and Vietnam.

In addition to the core exhibition, there will be a series of major events hosted in parallel, such as the 3rd Global Food Regulators Summit hosted by FSSAI to standardise food safety globally, the 24th India International Seafood Show to project India's seafood export opportunity, and APEDA's Reverse Buyer-Seller Meet with more than 1,000 buyers anticipated. Pavilions dedicated to international and state delegations, ministries, technology, pet food, and start-up innovations will be displayed.

The event is framed under five thematic pillars: net zero food processing and sustainability, India as a global food processing destination, product and packaging innovations, nutrition and wellness, and livestock and seafood products as rural economy drivers.

As the event unfolded, Union Minister Chirag Paswan also released a publication called "Frequently Asked Questions on Different Concepts of Food Processing". Industry stakeholders were consulted in preparing the publication, which aimed to dispel myths surrounding processed foods and present science-based data to encourage informed consumer choices.

"This is set to be the largest edition yet, with participation expected from over 90 countries, more than 2,000 exhibitors, and tens of thousands of stakeholders," Union Minister of Food Processing Industries Chirag Paswan said. File | Photo Credit: PTI

The Union government wants to ensure that at least one food item produced in India reaches the dining tables of every home in the world, Union Minister for Food Processing Industries Chirag Paswan said on Wednesday (July 23, 2025), adding that the World Food India event will be a step towards that goal.

The fourth edition of the annual event, being held from September 25 to 28 at Delhi's Pragati Maidan, is organised by the Ministry to showcase the developments in the food processing sector. Speaking at a curtain raiser event on Wednesday (July 23, 2025), Mr. Paswan said that this is set to be the largest edition yet, with participation expected from over 90 countries, more than 2,000 exhibitors, and tens of thousands of stakeholders spanning the entire food value chain from farm to fork.

Acknowledging that the industry's concerns about the Goods and Services Tax were "right", Mr. Paswan vowed to be a bridge between the industry and the GST Council.

**Delhi दिल्ली:** वर्ल्ड फूड इंडिया का चौथा संस्करण 25 से 28 सितंबर तक नई दिल्ली स्थित भारत मंडपम में आयोजित होगा। इसका उद्घाटन प्रधानमंत्री नरेंद्र मोदी 25 सितंबर की शाम 6 बजे करेंगे। इसकी जानकारी केंद्रीय मंत्री चिराग पासवान ने मंगलवार को नेशनल मीडिया सेंटर में दी। केंद्रीय मंत्री चिराग पासवान ने पत्रकारों से प्रोसेस्ड फूड को लेकर सोशल मीडिया प्लेटफॉर्म पर फैलाई जा रही बातों पर कहा, "हमने इस मुद्दे पर नियंत्रण के लिए एक समिति गठित की है, जो इस बात के लिए रेगुलेशन तैयार कर रही है।"

मंत्री ने कहा कि अभिव्यक्ति की आजादी के तहत आप किसी पर बहुत अधिक बंदिशें नहीं डाल सकते। मेरा यही कहना है कि प्रोसेस्ड फूड पर जब विभिन्न प्लेटफॉर्म पर चर्चा की जाती है तो एक साइंटिफिक बैकिंग जरूर होनी चाहिए। उन्होंने कहा, "अगर हम सही प्रक्रिया अपनाएंगे, तो बहुत कुछ हासिल किया जा सकता है। मैं आज 10 चीजों के बारे में बात करूंगा, लेकिन हो सकता है कि कल इसके जवाब में 20 चीजों पर चर्चा हो। हमने समय-समय पर इस तरह के सकारात्मक विज्ञापनों और अभियानों को चलाया है। चाहे वह दूध को लेकर हो, अंडों को लेकर हो, या फिर प्रोसेस्ड फूड को लेकर, हम इस दिशा में कैसे आगे बढ़ सकते हैं, इस पर भी हम काम कर रहे हैं।"

पासवान ने कहा कि 100 से अधिक देशों, 1700 से अधिक प्रदर्शकों व 500 से अधिक खरीदारों की भागीदारी के साथ यह संस्करण और भी भव्य, सशक्त और बेहतर होगा। भारत जैसे देश के लिए ऐसे इवेंट इसलिए महत्वपूर्ण हैं क्योंकि भारत एक कृषि प्रधान देश है। यहां जो प्रोडक्ट होता है, उसको पूरा का पूरा प्रोसेसिंग नहीं कर पाते। नई जीएसटी दरें लागू होने पर उन्होंने कहा, "मेरे सेक्टर से जुड़े हुए जितने भी पदार्थ हैं, वे 5 प्रतिशत या शून्य प्रतिशत के दायरे में आ गए हैं। मैं मानता हूं कि यह बड़ी राहत देशवासियों के लिए है। केंद्रीय मंत्री ने कहा कि प्रधानमंत्री मोदी ने जीएसटी को लेकर जो बड़ा सुधार किया गया, उसका मुख्य उद्देश्य यही था कि इसका अधिकतम लाभ हमारे देशवासियों को मिले।

#### ATTENDING THE WORLD FOOD INDIA EXPO

## Russian Dy PM Eyes JVs in Agriculture

**Dipanjana Roy Chaudhury**

**New Delhi:** Russian deputy prime minister Dmitry Patrushev is leading one of the biggest ever Russian delegations to India to attend the World Food India expo that kicked off on Thursday, eyeing joint ventures in agriculture and related areas, including fertilisers.

Russia is a key global player in fertilisers and other agri-related sectors and India-Russia partnership in these areas would strengthen multipolarity and take the two countries' partnership beyond a purely buyer-seller relationship, a person aware of the negotiations explained. Patrushev's visit could also help fine-tune bilateral strategy to export shrimps to Russia.

Shrimp exports from India to the USA have been hit hard following 50% tariffs and Russia could be a lucrative market for Indian shrimp exporters, as ET reported earlier. India has been the largest supplier of shrimp to the US, which is also the largest market for Indian shrimp with annual exports worth billions of dollars. But the US has imposed duties, including anti-subsidy duties and anti-dumping duties, that can result in a total tariff rate of over 58% on Indian shrimp. After factoring in this, Indian shrimp exporters will struggle to compete with rivals from Ecuador, Indonesia, Vietnam, and China in the USA market.

#### TRADE TIES

**Patrushev expected to engage with key Indian ministers to further trade ties with a focus on Indian exports to Russia**

The Russian market could give relief to Indian shrimp exporters, sources said, even as US President Donald Trump is targeting India for doing business with Russia.

Patrushev has been specialising in agri issues for close to a decade.

Son of former Russian NSA Nikolay Patrushev, he is also expected to engage with key Indian ministers to further trade ties with a focus on Indian exports to Russia.

Meanwhile, Russia has increased exports of fertilisers to India by 20% to 2.5 million tonnes in the first six months of the current year. "The share of Russian fertilisers in India's total fertiliser imports in the first half of the year increased to a record 33%. That means that every third tonne of fertilisers imported by India is from Russia," Andrey Guryev, head of Russian Fertiliser Producers Association (RAFP), recently said. Fertilisers have emerged as a key pillar of Indo-Russian partnership over the last four years. The increased supply included phosphorus-containing fertilisers like DAP (diammonium phosphate) and other NPK fertilisers. This also helped India to overcome China's move to control DAP fertilisers in India.

The number of Indian players in Russian agriculture and associated markets has touched 1,000 and there is a huge scope of expanding cooperation in this sector.

Prime Minister Narendra Modi on Thursday inaugurated World Food India. The session was attended by Patrushev, road transport and highways minister Nitin Gadkari, food processing industries minister Chirag Paswan, and Ravneet Singh Bittu, minister of state for food processing industries and railways, among others.

#### ATTENDING THE WORLD FOOD INDIA EXPO

## Russian Dy PM Eyes JVs in Agriculture

Dipanjana Roy Chaudhury

**New Delhi:** Russian deputy prime minister Dmitry Patrushev is leading one of the biggest ever Russian delegations to India to attend the World Food India expo that kicked off on Thursday, eyeing joint ventures in agriculture and related areas, including fertilisers.

Russia is a key global player in fertilisers and other agri-related sectors and India-Russia partnership in these areas would strengthen multipolarity and take the two countries' partnership beyond a purely buyer-seller relationship, a person aware of the negotiations explained. Patrushev's visit could also help fine-tune bilateral strategy to export shrimps to Russia.

Shrimp exports from India to the USA have been hit hard following 50% tariffs and Russia could be a lucrative market for Indian shrimp exporters, as ET reported earlier. India has been the largest supplier of shrimp to the US, which is also the largest market for Indian shrimp with annual exports worth billions of dollars. But the US has imposed duties, including anti-subsidy duties and anti-dumping duties, that can result in a total tariff rate of over 58% on Indian shrimp. After factoring in this, Indian shrimp exporters will struggle to compete with rivals from Ecuador, Indonesia, Vietnam, and China in the USA market.

#### TRADE TIES

**Patrushev expected to engage with key Indian ministers to further trade ties with a focus on Indian exports to Russia**

The Russian market could give relief to Indian shrimp exporters, sources said, even as US President Donald Trump is targeting India for doing business with Russia.

Patrushev has been specialising in agri issues for close to a decade.

Son of former Russian NSA Nikolay Patrushev, he is also expected to engage with key Indian ministers to further trade ties with a focus on Indian exports to Russia.

Meanwhile, Russia has increased exports of fertilisers to India by 20% to 2.5 million tonnes in the first six months of the current year. Prime Minister Narendra Modi on Thursday said that the country has the triple strength of diversity, demand and scale, which makes it a preferred destination for investments in the food processing sector. He added that India is continuously contributing to global food security. He urged industry stakeholders to invest in innovations related to biodegradable packaging.

Addressing the fourth edition of the World Food India,

**‘This is the right time to invest and expand. India has opened its doors to the world with an open mind and is fully receptive to investors across the food chain’**

Modi said, “This is the right time to invest and expand in India. India has opened its doors to the world with an open mind and is fully receptive

ive to investors across the food chain.”

Stating that India is committed to expanding its capacity and contribution in the global interest, Modi added that the government is strengthening the entire food and nutrition ecosystem by engaging every stakeholder.

He highlighted that the food processing sector is being actively promoted, with 100 per cent FDI, PLI scheme and the expansion of mega food parks, he noted. He added that India is currently running the world’s largest storage infrastructure

scheme.

These government efforts are yielding results, with India’s processing capacity having increased 20 times over the past 10 years and exports of processed food has also more than doubled.

Minister of Food Processing Chirag Paswan said that India’s food processing sector is expected to attract investment proposals of more than ₹1 lakh crore. Various players have made investment commitments with the Ministry at the World Food India summit. On Thursday, the Food Processing Ministry inked

MoUs with players including Reliance Consumer Products Ltd, three Coca-Cola bottlers and Amul.

### **MOUs SIGNED**

Reliance Consumer Products Ltd (RCPL) has inked an MoU with investment commitments of ₹40,000 crore. RIL had announced the investment plan at its annual general meeting in August, saying it would create Asia’s largest integrated food parks with AI-driven automation, robotics, and sustainable

technologies.

Meanwhile Hindustan Coca-Cola Beverages Ltd, SLMG Beverages and Kandhari Group inked an MoU with the Ministry making investment commitments of ₹25,760 crore. The investments will be used for green-field and brownfield projects for beverage manufacturing across various States including Uttar Pradesh, Bihar, Andhra Pradesh, Karnataka, Telangana, Gujarat, J&K, Punjab, Rajasthan and Maharashtra, sources added.

**BETTING BIG ON** the country's food processing sector, Reliance Consumer Products and three bottlers of Coca-Cola announced investments of more than ₹65,000 crore to set up manufacturing facilities on the first day of the four-day World Food India summit here on Thursday.

Union food processing industries minister Chirag Paswan said the sector would attract investments of more than ₹1 lakh crore during the summit. He said agreements worth ₹65,000 crore were signed on Thursday with Reliance Consumer Products (RCPL) and Coca-Cola bottlers.

The event kick-started on a positive note with RCPL signing a ₹40,000-crore agreement with the food processing industries ministry to establish integrated food manufacturing facilities across the country. Under the MoU, RCPL will invest more than ₹1,500 crore to set up integrated facilities for food products and beverages in Katol, Nagpur, in Maharashtra and Kurmool in Andhra Pradesh. plan at its annual general meeting in August, saying it would create "Asia's largest integrated food parks with AI-driven automation, robotics, and sustainable technologies".

Separately, three Coca-Cola bottlers in India will jointly invest ₹25,760 crore (\$2.96 billion) to expand the country's food processing infrastructure and have signed memoranda of understanding with the ministry for greenfield and brownfield projects, according to an industry official. SLMG Beverages, Hindustan Coca-Cola Beverages (Coca-Cola's wholly-owned bottling arm), and Kandhari Group of Companies have committed to the invest-

ment, which will span nine states, including Uttar Pradesh, Bihar, Andhra Pradesh, Telangana, Karnataka, Gujarat, Punjab, and Rajasthan. "Coca-Cola India and all the other bottlers, including SLMG Beverages, have signed an MoU worth ₹25,760 crore," Paritosh Ladhani, joint managing director of SLMG Beverages, said.

The projects are expected to generate 30,000 direct jobs and 300,000 indirect employment opportunities. Their implementation will begin this year and is targeted for completion by 2030. The ministry has assured support in obtaining necessary regulatory clearances for the proposed investments.

**BETTING BIG ON** the country's food processing sector, Reliance Consumer Products and three bottlers of Coca-Cola announced investments of more than ₹65,000 crore to set up manufacturing facilities on the first day of the four-day World Food India summit here on Thursday.

Union food processing industries minister Chirag Paswan said the sector would attract investments of more than ₹1 lakh crore during the summit. He said agreements worth ₹65,000 crore were signed on Thursday with Reliance Consumer Products (RCPL) and Coca-Cola bottlers.

The event kick-started on a positive note with RCPL signing a ₹40,000-crore agreement with the food processing industries ministry to establish integrated food manufacturing facilities across the country. Under the MoU, RCPL will invest more than ₹1,500 crore to set up integrated facilities for food products and beverages in Katol, Nagpur, in Maharashtra and Kurmool in Andhra Pradesh. Reliance Industries had announced the investment

Investment worth over ₹1 trillion in food processing is expected at the fourth edition of World Food India, said Minister of Food Processing Chirag Paswan on Thursday.

On the first day of the four-day event, inaugurated by Prime Minister Narendra Modi, leading fast-moving consumer goods (FMCG) firms signed memorandums of understanding (MoUs) committing investment worth over ₹75,000 crore.

Modi said: "The world, and especially investors related to the food sector, are both looking at India with a lot of hope. India has the joint power of diversity, demand, and scale. It is this diversity that sets us apart. As food and tastes change every 100 metres, it creates demand for a variety of products, giving India a competitive edge and making us a preferred destination for investment."

## When there's challenge to food security, India fulfils its responsibility, says Modi

**H**ighlighting India's history of initiatives whenever there have been global challenges to food security, PM Modi on Thursday said govt has increased its efforts to boost India's capacity and contribution to deal with such crises. Speaking at World Food India Summit where over 21 countries are participating, Modi said India has made strong progress in increasing production of foodgrain, milk, fisheries, fruits and vegetables because of the hard work of farmers, livestock rearers, and fishermen. "That's why whenever there is a global agricultural crisis or supply chain disruption, India stands firm and fulfils its responsibility. India is committed to expanding its capacity and contribution in the global interest and govt is strengthening food and nutrition ecosystem by engaging every stakeholder," he said. TNN

NEW DELHI, SEPTEMBER 25

PRIME MINISTER Narendra Modi said that because India possesses the triple strength of diversity, demand, and scale, the world, especially investors in the food sector, is looking towards the country with great hope.

"Every grain, every fruit, and every vegetable is produced in India. This diversity makes India unique in the world. Our food and its taste change every hundred kilometers. There is a tremendous demand for a variety of food in India. This demand gives India a competitive edge and also makes India a preferred destination for investors," Modi said, addressing a gathering during the World Food India 2025 at Bharat Mandapam in New Delhi.

The PM said that 25 crore people have overcome poverty in the last 10 years and are now part of the neo middle class — India's most energetic and aspirational segment. "India is operating at an unprecedented and extraordinary scale," he said.

"India is now the world's third-largest start-up ecosystem, with many start-ups working in food and agriculture," Modi said, adding that the country's diversity, demand, and innovation make it the most attractive destination for investment.

Highlighting the steps taken by the central government for promotion of the food processing sector, Modi said that 100% FDI is now permitted and the sector has benefited from the PUI scheme and the expansion of mega food parks. These efforts

are yielding results, he said, as India's processing capacity has expanded 20-fold over the past 10 years, and exports of processed food have more than doubled, he said.

Referring to the GST rate cut, the PM said, "India is advancing on a new path of innovation and reforms, with widespread discussion around the Next Generation GST reforms."

The PM also met Russia's Deputy Prime Minister Dmitry Patrushev at World Food India. Later in a post on X, he said, "Happy to meet Russia's Deputy Prime Minister Dmitry Patrushev at the World Food India 2025. We discussed ways to strengthen our win-win cooperation in agriculture, fertilisers and food processing."

Union Food Processing Industries Minister Chirag Paswan, who was present on the occasion, said, "We had just started with [an exhibition area of] 49,000 sq m. Today, we have reached 1.10 lakh sq m ... The number of exhibitors has increased to over 1,700 from just 800. At that time, the number of participating countries was low, it has crossed 90 now."

An official statement said that at World Food India, credit linked support of over Rs 770 crore will be provided to around 26,000 beneficiaries for micro-projects in food processing sector worth over Rs 2,510 crore under Pradhan Mantri Formalisation of Micro Food Processing Enterprises (PMFME) Scheme.

Prime Minister Narendra Modi on Thursday invited global investment in India's food processing sector, saying the country has the triple strength of diversity, demand and scale.

Addressing a gathering at the "World Food India" in the national capital, Mr Modi said that India kept its doors open for investments and collaborations in the food processing sector.

The Prime Minister stated that every investor evaluates the natural strengths of a location before making an investment. He noted that today, global investors — especially those in the food sector — are looking towards India with great opti-

mism. "India possesses a triple strength of diversity, demand, and scale," he said, adding that India produces every type of grain, fruit, and vegetable, and this diversity makes the country uniquely posi-

tioned in the global landscape.

He stated that every hundred kilometres, the cuisine and its flavours change, reflecting India's rich culinary variety. The Prime Minister said that

this strong domestic demand gives India a competitive edge and makes it a preferred destination for investors.

"India is operating at an unprecedented scale. In the past ten years, 25 crore people have overcome poverty and are now part of the neo-middle class — India's most energetic and aspirational segment," he said, noting that the aspirations of this class are shaping food trends and driving demand.

He emphasised that India's talented youth are innovating across sectors, and the food sector is no exception. "India is now the world's third-largest start-up ecosystem, with many start-ups working in food and agriculture," Mr Modi said.

He stated that every hundred kilometres, the cuisine and its flavours change, reflecting India's rich culinary variety. The Prime Minister said that

this strong domestic demand gives India a competitive edge and makes it a preferred destination for investors.

"India is operating at an unprecedented scale. In the past ten years, 25 crore people have overcome poverty and are now part of the neo-middle class — India's most energetic and aspirational segment," he said, noting that the aspirations of this class are shaping food trends and driving demand.

He emphasised that India's talented youth are innovating across sectors, and the food sector is no exception. "India is now the world's third-largest start-up ecosystem, with many start-ups working in food and agriculture," Mr Modi said.

## Reliance Consumer to invest ₹40,000 cr in food parks

**STATESMAN NEWS SERVICE**  
Mumbai, 25 September

Reliance Consumer Products Ltd (RCPL) has officially announced that it has signed a Memorandum of Understanding (MoU) with the Ministry of Food Processing Industries to invest Rs 40,000 crore to set up food parks.

According to an official RCPL statement, the MoU which was signed at the World Food India 2025 event held in Delhi, aims to develop integrated food production units across the country, signalling a major boost to domestic food processing capabilities.

The ambitious plan is part

of Reliance Industries' vision to build "Asia's largest integrated food parks," leveraging cutting-edge technologies such as Artificial Intelligence (AI), robotics and sustainable solutions.

As announced during RIL's annual general meeting (AGM) in August, RCPL plans to invest more than Rs 1,500 crore to establish advanced food manufacturing hubs in Katol, Nagpur (Maharashtra), as well as in Kurnool (Andhra Pradesh). Emerging as one of India's fastest-growing FMCG firms, RCPL has already generated more than Rs 11,000 crore in revenue within just three years of its inception.

Having evolved from Reliance

Retail to become a direct subsidiary of Reliance Industries, the company continues to expand rapidly through acquisitions and product launches. Its portfolio includes brands like Tagz Foods and house labels such as Campa, Independence, Alan's, Enzo,

and Ravalgaon.

At the AGM, Reliance Industries Director Isha Ambani had stated that RCPL would be a vital growth driver. "Our long-term ambition is to become India's largest FMCG company with a global presence," she had stated.

NEW DELHI

Betting big on the country's food processing sector, Reliance Consumer Products and three bottlers of Coca-Cola announced over Rs 65,000 crore investment to set up facilities on the first day of the World Food India Summit.

Union Food Processing Industries Minister Chirag Paswan on Thursday said the sector would attract investments of more than Rs 1 lakh crore during the summit, which is being organised from September 25-28 in the national capital.

"During this event, we are expecting to sign MoUs of

more than Rs 1 lakh crore," the minister said while replying to a query on the sidelines of the World Food India Event.

Paswan said the agreements worth Rs 65,000 crore were signed on Thursday morning with two big corporates – Reliance Consumer Products Ltd (RCPL) and three Coca-

Cola bottlers.

The event kick-started on a positive note with Reliance Consumer Products Ltd signing a Rs 40,000-crore agreement with the Food Processing Industries Ministry to establish integrated food manufacturing facilities across the country.

Under the MoU, RCPL will invest more than Rs 1,500 crore to set up integrated facilities for food products and beverages in Katol, Nagpur, in Maharashtra and Kurnool in Andhra Pradesh.

Reliance Industries had announced the investment plan at its annual general meeting in August, saying it would create "Asia's largest integrated food parks with AI-driven automation, robotics, and sustainable technologies".

Separately, three Coca-Cola bottlers in India will jointly invest Rs 25,760 crore (USD 296 billion) to expand the country's food processing infrastructure and have signed memoranda of understanding with the min-

istry for greenfield and brown-field projects, according to an industry official.

SLMG Beverages, Hindustan Coca-Cola Beverages (Coca-Cola's wholly-owned bottling arm), and Kandhari Group of Companies have committed to the investment, which will span nine states, including Uttar Pradesh, Bihar, Andhra Pradesh, Telangana, Karnataka, Gujarat, Punjab, Rajasthan and Jammu.

"Coca-Cola India and all the other bottlers, including SLMG Beverages, have signed an MoU worth Rs 25,760 crore with the food processing industry," Paritosh Ladhani, joint managing director of SLMG Beverages, told PTI.

# भारत विविधता, मांग की ताकत के साथ खाद्य प्रसंस्करण में निवेश को तैयार

प्रधानमंत्री ने किया चौथे वर्ल्ड फूड इंडिया का शुभारंभ, दुनिया को दिया देश में आने का न्योता

अमर उजाला ब्यूरो

नई दिल्ली। प्रधानमंत्री नरेंद्र मोदी ने भारत के खाद्य प्रसंस्करण क्षेत्र में वैश्विक निवेश को आमंत्रित करते हुए कहा कि देश में विविधता, मांग और पैमाने की तिहरी ताकत है। उन्होंने उद्योग से बायोइंफ्रेड्रेबल पैकेजिंग में नवाचारों में निवेश करने और पर्यावरण के अनुकूल पैकेजिंग सामग्री अपनाने का भी आग्रह किया। प्रधानमंत्री ने भारत मंडप में चौथे वर्ल्ड फूड इंडिया का शुभारंभ किया।

पीएम मोदी ने कहा, हर निवेशक पैसा लगाने से पहले उस जगह की प्राकृतिक सेहत को देखता है। भारत की तरफ भी आज दुनिया और खासकर फूड सेक्टर से जुड़ा निवेशक, बहुत उम्मीद से देख रहा है। मोदी ने कहा, भारत ने खाद्य प्रसंस्करण क्षेत्र में निवेश और सहयोग के लिए अपने दरवाजे खुले रखे हैं। भारत में निवेश करने का यह सही समय है... हम खाद्य (प्रसंस्करण) श्रृंखला से जुड़े निवेशकों के लिए खुले हैं। हम सहयोग के लिए तैयार हैं। मैं सभी से भारत में निवेश करने का आग्रह करता हूँ क्योंकि यहाँ अपार अवसर हैं। उन्होंने उपस्थित लोगों को बताया कि भारत दुनिया का तीसरा सबसे बड़ा स्टार्ट-अप इकोसिस्टम है और बड़ी संख्या में संस्थाएं खाद्य और

कृषि क्षेत्रों में काम कर रही हैं। प्रधानमंत्री ने कहा कि भारत वैश्विक खाद्य सुरक्षा सुनिश्चित करने में निरंतर योगदान दे रहा है। उन्होंने कहा कि सरकार खाद्य प्रसंस्करण क्षेत्र को बढ़ावा दे रही है। पिछले 10 वर्षों में प्रसंस्करण क्षमता 20 गुना बढ़ी है और खाद्य पदार्थों का निर्यात दोगुना हो गया है।

**खुशी की बात सबसे अधिक फोकस पोषण पर :** पीएम मोदी ने कहा, वर्ल्ड फूड इंडिया में हमारे किसान, ऑनप्रोसेस्ड, इन्वेस्टर्स, कंज्यूमर्स, सभी एक ही जगह मौजूद हैं। यह एक नए कॉन्टैक्ट, नए कनेक्ट और क्रिएटिविटी का आयोजन बन गया है। मैंने प्रदर्शनी देखी और इस बात की खुशी है कि सबसे अधिक फोकस पोषण पर है। इस बात का पूरा ध्यान दिया गया है कि तेल की खपत को कम करना है। साथ ही पैकेज उत्पादों की सेहत को बढ़ाने पर भी काफी जोर दिया गया है।

**युवा प्रतिभा से बदल रहा फूड सेक्टर :** पीएम मोदी ने कहा, आज देश का प्रतिभाशाली युवा हर सेक्टर में कुछ अलग कर रहा है। हमारा फूड सेक्टर भी, इससे पीछे नहीं है। आज भारत, दुनिया का तीसरा सबसे बड़ा स्टार्टअप इकोसिस्टम है। इनमें से कई सारे स्टार्टअप खाद्य और कृषि क्षेत्रों में काम करते हैं। एआई, ई-कॉमर्स, ड्रोन और एप को भी इस सेक्टर से

## देश का मध्यम वर्ग उसकी सबसे बड़ी ताकत

पीएम मोदी ने कहा, भारत आज जिस स्केल पर काम कर रहा है, वो अभूतपूर्व है, अप्रत्याशित है। बीते 10 सालों में, भारत के 25 करोड़ लोगों ने गरीबी को हराया है। ये सभी साथी अब नियो मिडिल क्लास का हिस्सा बने हैं। ये नियो मिडिल क्लास, देश की सबसे ऊर्जावान और आकांक्षी क्लास है। इतने सारे लोगों की आकांक्षा, हमारे फूड ट्रेंड्स को सेट करने वाली हैं। ये वो वर्ग है जो हमारी मांग को बढ़ा रहा है।

**हर सौ किलोमीटर पर बदलता है हमारा खाना और उसका स्वाद...** पीएम मोदी ने कहा, भारत में हर अनाज की, हर फल और सब्जी की पैदावार होती है। इस विविधता की वजह से भारत दुनिया में सबसे खास है। हर सौ किलोमीटर पर हमारे यहाँ खाना और खाने का स्वाद बदल जाता है। भारत में विभिन्न तरह के खानों की मांग होती है।

जोड़ा जा रहा है। ये स्टार्टअप आपूर्ति श्रृंखला, रिटेल और प्रसंस्करण के तरीके बदल रहे हैं। **वैश्विक खाद्य सुरक्षा में भारत कर रहा निरंतर योगदान :** पीएम मोदी ने कहा, भारत वैश्विक खाद्य सुरक्षा में निरंतर योगदान दे रहा है।

हमारे किसानों, हमारे पशुपालकों, हमारे मछुआरों के परिश्रम और सरकार की नीतियों से भारत का सामर्थ्य निरंतर बढ़ रहा है। बीते दशक में हमारे खाद्यान्न उत्पादन में काफी वृद्धि हुई है। आज भारत दूध का सबसे बड़ा उत्पादक है।

## खाद्य प्रसंस्करण क्षेत्र में वैश्विक निवेश के लिए हमारे दरवाजे खुले: प्रधानमंत्री

नई दिल्ली, 25 सितंबर (भाषा)।

प्रधानमंत्री नरेंद्र मोदी ने गुरुवार को वैश्विक कंपनियों को भारत के खाद्य प्रसंस्करण क्षेत्र में निवेश के लिए आमंत्रित करते हुए कहा कि देश की फसल विविधता, मांग और पैमाने की 'त्रि-शक्ति' इसे आकर्षक गंतव्य बनाती है।

प्रधानमंत्री मोदी ने यहां 'वर्ल्ड फूड इंडिया शिखर सम्मेलन' का उद्घाटन करते हुए कहा कि पिछले दस वर्षों में सरकार ने उत्पादन-आधारित योजनाएं और मेगा फूड पार्क जैसी पहलों के जरिये खाद्य प्रसंस्करण क्षेत्र को बढ़ावा दिया है जिससे क्षेत्र की क्षमता 20 गुना बढ़ी और निर्यात दोगुना हुआ है। उन्होंने उद्योग जगत से प्रसंस्कृत खाद्य उत्पादों के लिए पर्यावरण-अनुकूल एवं बायोडिग्रेडेबल पैकेजिंग में निवेश करने का आग्रह भी किया। मोदी ने कहा कि भारत ने खुले मन से अपने देश के दरवाजे, दुनिया के लिए खोल रखे हैं।

हम खाद्य शृंखला से जुड़े हर निवेशक के लिए खुले हैं। हम सहयोग के लिए खुले दिल से तैयार हैं। प्रधानमंत्री ने वैश्विक खाद्य कंपनियों को भारत में अधिकतम निवेश करने का न्योता देते हुए कहा कि यहां पर खाद्य प्रसंस्करण क्षेत्र में अपार संभावनाएं हैं और वैश्विक कंपनियों को इसका फायदा उठाना चाहिए। मोदी ने आगे कहा कि वैश्विक निवेशक भारत की ओर बड़ी आशा भरी नजरों से देख रहे हैं क्योंकि देश में विविधता, मांग और पैमाना के रूप में तीन ताकतें हैं जो इसे निवेश के लिए सबसे आकर्षक गंतव्य बनाती हैं। प्रधानमंत्री ने कहा कि भारत दुनिया में अद्वितीय है, क्योंकि यहां उत्पादन विविधता है और विभिन्न प्रकार के खाद्य पदार्थों की बड़ी मांग है।

उधर केंद्रीय खाद्य प्रसंस्करण उद्योग मंत्री चिराग पासवान ने कहा कि 'वर्ल्ड फूड इंडिया 2025' शिखर सम्मेलन के दौरान खाद्य प्रसंस्करण क्षेत्र में एक लाख करोड़ रुपए से अधिक के निवेश प्रस्ताव आने की उम्मीद है।

# ‘फूड इंडिया’ में एक लाख करोड़ रुपये के निवेश प्रस्ताव की आस

नई दिल्ली (भाषा)।

केंद्रीय खाद्य प्रसंस्करण उद्योग मंत्री चिराग पासवान ने वृहस्पतिवार को कहा कि ‘वर्ल्ड फूड इंडिया 2025’ शिखर सम्मेलन के दौरान खाद्य प्रसंस्करण क्षेत्र में एक लाख करोड़ रुपये से अधिक के निवेश प्रस्ताव आने की उम्मीद है।

पासवान ने ‘वर्ल्ड फूड इंडिया 2025’ शिखर सम्मेलन की शुरुआत के पहले संवाददाताओं के साथ चर्चा में कहा कि 65,000 करोड़ रुपये के समझौता ज्ञापनों (एमओयू) पर पहले ही हस्ताक्षर हो चुके हैं। उन्होंने कहा कि एमओयू वाली कंपनियों में रिलायंस कंज्यूमर प्रोडक्ट्स और कोका-कोला भी शामिल हैं। इस सम्मेलन के दौरान हम एक लाख करोड़ रुपये से अधिक के एमओयू पर हस्ताक्षर होने की उम्मीद कर रहे हैं।

इस अवसर पर खाद्य प्रसंस्करण उद्योग से संबंधित मुद्दों पर एक सीईओ गोलमेज

सम्मेलन भी हुआ। इसमें सड़क परिवहन एवं राजमार्ग मंत्री नितिन गडकरी भी मौजूद थे। पासवान ने कहा कि कंपनियों के मुख्य कार्यपालक अधिकारी (सीईओ) जीएसटी दरों को तर्कसंगत बनाए जाने से बेहद संतुष्ट हैं। उन्होंने याद दिलाया कि पिछले साल उद्योग ने इस मुद्दे को प्रमुखता से उठाया था।

‘वर्ल्ड फूड इंडिया 2025’ शिखर सम्मेलन का आयोजन प्रगति मैदान स्थित ‘भारत मंडपम’ में हो रहा है। इसमें रूस के उप प्रधानमंत्री दिमित्री पत्रिशेव सहित कई अंतरराष्ट्रीय प्रतिनिधि भाग ले रहे हैं। करीब एक लाख वर्गमीटर में फैला यह आयोजन भारत में खाद्य प्रसंस्करण क्षेत्र का अब तक का सबसे बड़ा सम्मेलन है। इसमें 21 देशों की भागीदारी हो रही है। न्यूजीलैंड और सऊदी अरब इसके साझीदार देश हैं जबकि जापान, रूस, संयुक्त अरब अमीरात (यूएई) और वियतनाम को फोकस देश के रूप में चुना गया है।

## कोका-कोला ₹25760 करोड़ का निवेश करेगी

नई दिल्ली (भाषा)। भारत में कोका-कोला के उत्पादों की बॉटलिंग करने वाली तीन कंपनियां देश के खाद्य प्रसंस्करण बुनियादी ढांचे के विस्तार पर संयुक्त रूप से 25,760 करोड़ रुपये का निवेश करेंगी। इन कंपनियों ने नई एवं मौजूदा परियोजनाओं के लिए खाद्य प्रसंस्करण उद्योग मंत्रालय के साथ समझौता ज्ञापन (एमओयू) पर हस्ताक्षर किए हैं। बॉटलिंग इकाई पेय पदार्थ को बोतलों में भरकर पैक करती है और उसे बाजार में बिक्री के लिए पहुंचाने का काम करती है। एसएलएमजी बेवरेजेज, हिंदुस्तान कोका-कोला बेवरेजेज (कोका-कोला की पूर्ण स्वामित्व वाली बॉटलिंग इकाई) और कंधारी ग्रुप ऑफ कंपनीज ने निवेश के लिए प्रतिबद्धता जताई है। यह निवेश उत्तर प्रदेश, बिहार, आंध्र प्रदेश, तेलंगाना, कर्नाटक, गुजरात, पंजाब, राजस्थान और जम्मू सहित नौ राज्यों में किया जाएगा।

## चिराग पासवान ने वर्ल्ड फूड इंडिया में बीएल एग्रो पवेलियन का उद्घाटन किया

नई दिल्ली, (वीए)। केंद्रीय खाद्य प्रसंस्करण उद्योग मंत्री चिराग पासवान ने आज नई दिल्ली स्थित भारत मंडपम में वर्ल्ड फूड इंडिया 2025 (डब्ल्यूएफआई) के उद्घाटन दिवस पर बीएल एग्रो पवेलियन का उद्घाटन किया, जहां अग्रणी एफएमसीजी ब्रांड अपने विजन और उत्पादों का प्रदर्शन करेगा। वर्ल्ड फूड इंडिया 2025 के दौरान, बीएल एग्रो अपनी सहयोगी कंपनी लीड्स कनेक्ट सर्विसेज के साथ मिलकर मंत्रालय और अन्य अंतर्राष्ट्रीय कंपनियों के साथ कई समझौता ज्ञापनों पर हस्ताक्षर करेगी, ताकि देश में क्षमताएं विकसित की जा सकें और साथ ही विदेशों में अपनी घरेलू कृषि-तकनीक सेवाओं का विस्तार किया जा सके।

बीएल एग्रो पवेलियन का उद्घाटन करते हुए, भारतीय खाद्य प्रसंस्करण उद्योग मंत्री चिराग पासवान ने कहा कि वर्ल्ड फूड

इंडिया एक उद्योग सम्मेलन है जो भारत के खाद्य प्रसंस्करण क्षेत्र की सर्वश्रेष्ठ कंपनियों को एक साथ लाता है और उन्हें दुनिया के सामने अपनी अपार क्षमता प्रदर्शित करने के लिए एक बेहतरीन मंच प्रदान करता है। मुझे आज यहां बीएल एग्रो के पवेलियन का उद्घाटन करते हुए अत्यंत प्रसन्नता हो रही है। यह एक ऐसी कंपनी है जो वास्तव में भारत की समृद्ध कृषि विरासत और मॉडर्न इनोवेशन की अगुवाई करती है। गुणवत्ता, तकनीक और किसान के सशक्तिकरण पर अपने फोकस के माध्यम से, बीएल एग्रो सरकार के मेक इन इंडिया के वैश्विक खाद्य केंद्र के दृष्टिकोण में महत्वपूर्ण योगदान दे रही है। मैं बीएल एग्रो टीम को उनकी उल्लेखनीय यात्रा के लिए बधाई देता हूँ और भारतीय ब्रांड को अंतर्राष्ट्रीय बाजारों तक पहुंचाने में उनकी निरंतर सफलता की कामना करता हूँ।

केंद्रीय खाद्य प्रसंस्करण उद्योग मंत्री चिराग पासवान ने बृहस्पतिवार को कहा कि वर्ल्ड फूड इंडिया 2025 शिखर सम्मेलन के दौरान खाद्य प्रसंस्करण क्षेत्र में एक लाख करोड़ रुपए से अधिक के निवेश प्रस्ताव आने की उम्मीद है। पासवान ने वर्ल्ड फूड इंडिया 2025 शिखर सम्मेलन की शुरुआत के पहले संवाददाताओं के साथ चर्चा में कहा कि 65,000 करोड़ रुपए के समझौता ज्ञापनों (एमओयू) पर पहले ही हस्ताक्षर हो चुके हैं। उन्होंने कहा कि एमओयू वाली कंपनियों में रिलायंस कंज्यूमर प्रोडक्ट्स और कोका-कोला भी शामिल हैं। इस सम्मेलन के दौरान हम एक लाख करोड़ रुपए से अधिक के एमओयू पर हस्ताक्षर होने की उम्मीद कर रहे हैं। इस अवसर पर खाद्य प्रसंस्करण उद्योग से संबंधित मुद्दों पर

एक सीईओ गोलमेज सम्मेलन भी हुआ। इसमें सड़क परिवहन एवं राजमार्ग मंत्री नितिन गडकरी भी मौजूद थे। पासवान ने कहा कि कंपनियों के मुख्य कार्यपालक अधिकारी (सीईओ) जीएसटी दरों को तर्कसंगत बनाए जाने से बेहद संतुष्ट हैं। उन्होंने याद दिलाया कि पिछले साल उद्योग ने इस मुद्दे को प्रमुखता

से उठाया था। वर्ल्ड फूड इंडिया 2025 शिखर सम्मेलन का आयोजन प्रगति मैदान स्थित भारत मंडप में हो रहा है। इसमें रूस के उप प्रधानमंत्री दिमित्री पेत्रिशेव सहित कई अंतरराष्ट्रीय प्रतिनिधि भाग ले रहे हैं। करीब एक लाख वर्गमीटर में फैला यह आयोजन भारत में खाद्य प्रसंस्करण क्षेत्र का अब तक का सबसे बड़ा

सम्मेलन है। इसमें 21 देशों की भागीदारी हो रही है। न्यूजीलैंड और सऊदी अरब इसके साझेदार देश हैं जबकि जापान, रूस, संयुक्त अरब अमीरात (यूएई) और वियतनाम को फोकस देश के रूप में चुना गया है। इसके अलावा 21 राज्यों केंद्रशासित प्रदेशों, 10 केंद्रीय मंत्रालयों, पांच संबद्ध सरकारी संगठनों और 1,700 से

अधिक प्रदर्शकों की भी भागीदारी इस सम्मेलन में हो रही है। पिछले आयोजन में खाद्य प्रौद्योगिकी हस्तांतरण समझौतों पर जोर रहा था जबकि 2023 के संस्करण में 33,000 करोड़ रुपए के एमओयू हुए थे।

**New Delhi:** The government has signed agreements with 26 overseas and domestic firms during the 'World Food India' summit for investments worth ₹1.02 lakh crore in India's food processing sector. The summit, organised by the Ministry of Food Processing Industries, was held at Bharat Mandapam here from September 25 to 28.

In an official statement on Sunday, the ministry said the World Food India 2025 concluded on a historic note with investment commitments of unprecedented scale.

"Over the course of the four-day event, 26 leading domestic and global companies signed Memoranda of Understanding (MoUs) worth a total of ₹1,02,046.89 crore, marking one of the largest investment announcements in India's food processing sector," the ministry added.

On the first day of the summit, inaugurated by the Prime Minister, Union Food Processing Minister Chirag Paswan had asserted that MoUs worth over ₹1 lakh crore would be signed during the four-day event. "These MoUs are projected to generate direct employment for over 64,000 people and create indirect opportunities for more than 10 lakh individuals," the statement said.

The companies that signed MoUs include Reliance Consumer Products, The Coca-Cola System in India, Gujarat Cooperative Milk Marketing Federation (Amul), Fair Exports (India) Pvt Ltd (Lulu Group), Nestle India, Tata Consumer Products Ltd and Carlsberg India Pvt Ltd.

The commitments span across dairy, meat and poultry, packaged foods, alcoholic and non-alcoholic beverages, spices and condiments, confectionery, edible oils, fruits and vegetables, and ready-to-eat products.

The proposed investments would be spread across multiple states. – PTI

**STATESMAN NEWS SERVICE**  
New Delhi, 27 September

On day two of the ongoing World Food India 2025, the Ministry of Food Processing Industries witnessed the signing of MoUs by 21 companies with investments worth more than Rs 25,000 crore. The event is being organised at Bharat Mandapam.

With these, the total value of MoUs signed on both the days crossed Rs 1 lakh crore worth of investments. As part of the summit, key government-to-government meetings were held with

international counterparts of Russia and Portugal to strengthen cooperation in agriculture and food processing, a statement

from the Ministry claimed. Sessions were also organised by Uttar Pradesh, Gujarat, Punjab, Jharkhand, and Bihar, New Zealand, Vietnam, Japan, Russia, Ministry of Agriculture and Farmers' Welfare, Ministry of AYUSH, APEDA and World Bank.

Additionally, MOFPI hosted thirteen sessions covering a variety of topics including the five focus pillars of this year's edition and key topics such as pet food, nutraceuticals, specialty foods, alcoholic beverages, and plant-based foods. Alongside World Food India, two major international events are being held, the 3rd

Global Food Regulators Summit, organised by FSSAI, and the 24th India International Seafood Show (IIS), hosted by the Seafood Exporters Association of India (SEAI).

The Summit provides a vital platform for global regulators to deliberate on harmonising food safety standards and strengthening regulatory cooperation.

Meanwhile the IIS highlights India's expanding seafood export potential and its integration with global markets.

The event urged all industry stakeholders to invest in innovations related to food processing segments.

## भारत अधिक उत्पादन के चलते खाद्यान्न भंडारण क्षमता का कर रहा विस्तार

नई दिल्ली, 28 सितम्बर (एजेंसियां)। भारत रिकॉर्ड खाद्यान्न उत्पादन के साथ भंडारण क्षमता में भी तेजी से विस्तार कर रहा है। इसका उद्देश्य फसल कटाई के बाद होने वाली बर्बादी को कम करना और किसानों को सशक्त बनाना है।

रविवार को जारी एक आधिकारिक बयान के अनुसार, भारतीय खाद्य निगम (एफसीआई) और राज्य एजेंसियों के पास वर्तमान में केंद्रीय अनाज पूल के लिए 917.83 लाख मीट्रिक टन कवर्ड और सीएपी भंडारण क्षमता है, जबकि देश भर में जल्दी खराब होने वाले खाद्यान्नों को संरक्षित करने के लिए 40.21 मिलियन मीट्रिक टन क्षमता वाले 8,815 कोल्ड स्टोरेज हैं। इसके अतिरिक्त, विकेन्द्रीकृत भंडारण का भी विस्तार हो रहा है और जून तक 5,937 नई प्राथमिक कृषि ऋण समितियां (पीएसीएस) पंजीकृत हो चुकी हैं और 73,492 को कम्प्यूटरीकृत किया जा चुका है।

पीएसीएस के कामकाज को और बेहतर बनाने के लिए, सरकार ने 2,516 करोड़ रुपये के वित्तीय

परिव्यय के साथ परिचालन पीएसीएस को कम्प्यूटरीकृत करने की एक परियोजना को मंजूरी दी है, जिससे पारदर्शिता, रिकॉर्ड-कीपिंग और दक्षता में वृद्धि होगी।

भारत की खाद्य आपूर्ति श्रृंखला के प्रबंधन, बर्बादी को कम करने और किसान व उपभोक्ता दोनों के कल्याण को सुनिश्चित करने के लिए भंडारण इन्फ्रास्ट्रक्चर अत्यंत महत्वपूर्ण है। कोल्ड स्टोरेज और आधुनिक गोदामों सहित उचित भंडारण, कृषि उपज की बर्बादी को काफी हद तक कम करता है।

एग्रीकल्चर इन्फ्रास्ट्रक्चर फंड , एग्रीकल्चर मार्केटिंग इन्फ्रास्ट्रक्चर , प्रधानमंत्री किसान संपदा योजना (पीएमकेएसवाई) और विश्व की सबसे बड़ी अनाज भंडारण योजना जैसी सरकारी योजनाएं भंडारण, प्रसंस्करण और किसानों की आय सुरक्षा को मजबूत कर रही हैं।

## बिहार का सत्तू बन रहा 'कल्चरल ड्रिंक', पंजाबी ढाबे में मिल रहे लजीज़ व्यंजन

वर्ल्ड फूड एक्सपो में खुली कृषि क्षेत्र में निवेश की राह, मेघालय ने दिया शुद्धता का संदेश

जागरण संवाददाता, नई दिल्ली: भारत मंडप में वर्ल्ड फूड इंडिया के चौथे संस्करण में बिहार, पंजाब, आंध्र प्रदेश और मेघालय सहित 21 राज्यों, केंद्र शासित प्रदेशों और पांच संबद्ध सरकारी संगठनों ने अपनी उपस्थिति दर्ज कराई। इन्वेस्ट बिहार पवेलियन में बिहार को समृद्ध कृषि विरासत को युवा उद्यमियों ने 'एडवांटेज बिहार' और 'स्टार्टअप बिहार' जैसी थीमों के तहत प्रस्तुत किया गया। बिहार के कुछ उद्यमियों की ओर से कुल 11 स्टाल पर 105 तरह के पारंपरिक व्यंजनों को नए रूप में प्रस्तुत किया है। इन राज्य के स्टाल पर पहले ही दिन निवेशकों की भारी भीड़ उमड़ी, जिनमें बिहार के खाद्य प्रसंस्करण क्षेत्र में निवेश की संभावनाओं पर गहरी रुचि दिखाई। जहाँ पंजाब पवेलियन में गेहूँ, मक्का, मक्खन और तिलहन से संबंधित खाद्य पदार्थ और मेघालय पवेलियन में जैविक खाद्य मसालों, हल्दी और काली मिर्च प्रस्तुत किया, जो सादगी, पोषण और प्रकृति से जुड़ाव पर आधारित है।

**लोगों को बसंत आए मसाला और लीची से बने रसगुल्ले:** पवेलियन में जोआइ टैग प्राप्त उत्पादों ने अपनी अलग धाक जमाई। शाही लीची अपने प्राकृतिक स्वाद और सुगंध के साथ छाई रही, लेकिन चर्चा बटोरी 'लीची से बने रसगुल्ले' ने जिसने पारंपरिक मिठास को आधुनिक रूप दिया। प्लांट प्रोटीन के टुकटुक स्रोत बिहार के मखाना ('लिली नट') को सबसे अधिक प्रशंसा मिली, जिसने इसे स्वास्थ्य के प्रति जागरूक उपभोक्ताओं की पहली पसंद बना दिया।

**नया फ्लेवर:** इस बार बिहार के 'कल्चरल' ड्रिंक सत्तू का स्वाद लोगों की जुबान पर चढ़ा, जो ग्रामीण जीवनशैली और बिहार की संघर्ष और सादगी का प्रतीक है। इस ड्रिंक को बिहार स्टार्टअप सत्तुज ने अलग-अलग फ्लेवर में पेश किया। स्टार्टअप एग्रीफोडर के स्टाल पर लोग मुरंगा के पत्ते एवं चने के सत्तू के मुरीद हो गए।

बिहार राज्य सहकारी दुग्ध उत्पादक संघ ने अपने घी और गुलाब जामुन को अमेरिका और कनाडा में निर्यात करना शुरू कर दिया है, जो 'मेक इन बिहार' उत्पादों की बढ़ती वैश्विक स्वीकार्यता को दर्शाता है। अपनी विशिष्ट कारीगरी के लिए, मराहुर सिलाय के श्री कालीसाह खाड़ा ने भी अपनी मिठास से विदेशी आगंतुकों को खूब लुभाया।

**पंजाब ने अन्नदाता के योगदान को दर्शाया:** पंजाब पवेलियन 'अन्न भंडार' की विरासत और हरित क्रांति की गाथा को समर्पित रहा, जिसने भारत को खाद्य सुरक्षा प्रदान की। यहां प्रदर्शित गेहूँ, मक्का, मक्खन और तिलहन पंजाब की समृद्ध दोआब भूमि और मेहनतकश किसानों के योगदान को दर्शाया। इस पवेलियन ने खेती को मात्र एक व्यवसाय के रूप में नहीं, बल्कि सम्मानित जीवनशैली के रूप में प्रस्तुत किया, जो खाद्य प्रसंस्करण उद्योग के लिए एक मजबूत नींव प्रदान करते हैं।

मेघालय के पवेलियन ने 'सादगी, पोषण और प्रकृति से जुड़ाव' का संदेश दिया। इसमें मेघालय की जनजातीय परंपराओं और अटूट पारिस्थितिकी तंत्र का जीवंत चित्रण देखने को मिला। यहां प्रदर्शित जैविक खाद्य मसालों, हल्दी और काली मिर्च की शुद्धता ने उस पारंपरिक खेती की विरासत को सामने रखा, जहां उर्वरक या कीटनाशकों का उपयोग लगभग नगण्य है। इन उत्पादों का गहरा रंग और तीव्र सुगंध पहलों की स्वच्छ हवा और अद्वितीय मिट्टी की गुणवत्ता का प्रमाण था। यह पवेलियन शुद्धता और जैविक खेती पर केंद्रित स्वस्थ और टिकाऊ जीवनशैली का संदेश दिया।

इस आयोजन में जापान, रूस, संयुक्त अरब अमोरात और वियतनाम जैसे फ़ेकस देशों के साथ न्यूजिलैंड और सऊदी अरब साझेदार देश बने। इसके अलावा इसमें 1700 से अधिक प्रदर्शकों, 500 से अधिक अंतरराष्ट्रीय खरीदार और 100 से अधिक देशों के प्रतिनिधियों ने हिस्सा लिया।

नई दिल्ली : भारत मंडपम में चल रहे वर्ल्ड फूड इंडिया मेले में मधुमेह रोगियों के लिए प्रदर्शित डिस्कट भी आकर्षण का केंद्र बना हुआ है। हाल नं. 14 में निफ्टेम के पवेलियन में ऊंटनी के दूध से बना डिस्कट मधुमेह के रोगी निश्चित होकर खा सकते हैं। यह अनूठा नवाचार सोनीपत स्थित नेशनल इंस्टीट्यूट ऑफ फूड टेक्नोलॉजी एंटरप्राइजिस्म एंड मैनेजमेंट (निफ्टेम) के विज्ञानियों का है।

विज्ञानियों का कहना है कि ऊंटनी का दूध औषधीय गुणों से भरपूर होता है। मधुमेह के मरीजों के लिए यह खासतौर पर फायदेमंद है। आमतौर पर ऊंटनी का दूध जल्दी खराब हो जाता है और उबालने से

उसकी पोषकता घट जाती है। यहीं से निफ्टेम की शोध टीम को इसे लंबे समय तक सुरक्षित रखने और स्वादिष्ट रूप देने का विचार आया। शोधकर्ताओं ने बीकानेर से ऊंटनी का दूध मंगाया और हाई प्रेशर नान थर्मल प्रोसेसिंग की अत्याधुनिक तकनीक अपनाई।

इससे रोगाणु नष्ट हो गए और दूध की लाइफ भी बढ़ गई। फिर दूध को पाउडर में बदलकर खास कंप्रेशन तकनीक से बेकिंग के बिना ही बिस्कट तैयार किया गया। यह दो स्वाद में उपलब्ध है—इलायची और वनीला।

निफ्टेम के निदेशक डा. हरिंदर ओबराय ने बताया कि संस्थान इस तरह के और भी शोध कर रहा है। एसोसिएट प्रोफेसर अंकुर ओझा की देखरेख में तैयार यह प्रोजेक्ट मधुमेह के मरीजों के लिए सुरक्षित एवं उपयोगी विकल्प है।

पोषण से भरपूर है डिस्कट: 20 ग्राम डिस्कट में करीब 20 प्रतिशत प्रोटीन, 19.3 प्रतिशत फैट और लगभग 48 प्रतिशत कार्बोहाइड्रेट है, जो मधुमेह मरीजों के लिए संतुलित और ऊर्जादायक नाश्ते का विकल्प बनता है। 20 ग्राम प्रोटीन दूध आधारित है, जिसकी बायोलॉजिकल उपलब्धता आम प्रोटीन से अधिक है। 100 ग्राम डिस्कट का एक पैकेट लगभग एक यूनिट इंसुलिन के बराबर उपलब्धता प्रदान कर सकता है। इसलिए आने वाले समय में मधुमेह रोगियों में डिस्कट की मांग तेजी से बढ़ सकती है।

## निफ्टेम-के द्वारा विकसित ऊंटनी के दूध से बना डिस्कट : शुगर के मरीजों के लिए नया वरदान

नई दिल्ली 28 सितम्बर (एजेंसियां)। भारत मंडपम में चल रहे वर्ल्ड फूड इंडिया 2025 मेले में हॉल नंबर 14 के निफ्टेम-के पवेलियन में इस बार कुछ ऐसा पेश हुआ जिसने हर किसी का ध्यान खींच लिया—ऊंटनी के दूध से बना डिस्कट। यह अनोखा उत्पाद निफ्टेम-के (NIFTEM-K), कुंडली, सोनीपत के वैज्ञानिकों ने तैयार किया है और इसे शुगर

यानी डायबिटीज़ के मरीजों के लिए किसी वरदान से कम नहीं माना जा रहा।

क्यों खास है ऊंट का दूध : वैज्ञानिकों का कहना है कि ऊंट का दूध अपने आप में औषधीय

गुणों से भरपूर होता है और शुगर के मरीजों के लिए बेहद फायदेमंद माना जाता है। आम तौर पर ऊंट का दूध जल्दी खराब हो जाता है और उबालने से उसकी पोषकता घट जाती है। यहीं से निफ्टेम-के की रिसर्च टीम को एक अनोखा विचार आया—इसे लंबे समय तक सुरक्षित रखने के साथ स्वादिष्ट रूप देना।

**ऊंटनी के दूध से बना बिस्कुट शुगर के मरीजों के लिए बनेगा वरदान**

आदित्य पाण्डेय

नई दिल्ली। ऊंट के दूध से बने बिस्कुट शुगर के मरीजों के लिए वरदान बनेंगे। वैज्ञानिकों का मानना है कि हाई प्रेशर नॉन थर्मल प्रोसेसिंग की आधुनिक तकनीक से तैयार ये बिस्कुट पोषण से भरपूर हैं।

भारत मंडपम में रविवार तक लगे वर्ल्ड फूड इंडिया मेले में खाद्य प्रसंस्करण उद्योग मंत्रालय के इस नए खाने-खजाने को दुनिया के सामने पेश किया गया। जल्द ही बाजारों में आने की उम्मीद है। वैज्ञानिक मानते हैं कि ऊंट का दूध औषधीय गुणों से भरपूर होता है। यह शुगर के मरीजों के लिए बेहद फायदेमंद माना जाता है। आम तौर पर ऊंट का दूध जल्दी खराब हो जाता है। उबालने से इसकी पोषकता घट जाती है। यहीं से केंद्रीय खाद्य प्रसंस्करण उद्योग मंत्रालय के सोनीपत कुंडली में स्थापित राष्ट्रीय खाद्य प्रौद्योगिकी उद्यमिता और प्रबंधन संस्थान के वैज्ञानिकों की रिसर्च टीम को एक अनोखा विचार

कम कैलोरी, अधिक फाइबर वाला हनी पाउडर निफ्टम के निदेशक डॉ. हरिंदर ओबराय ने बताया कि संस्थान ऐसे अनेक शोध किए हैं। खाद्य विज्ञान एवं प्रौद्योगिकी विभाग की विभागाध्यक्ष डॉ. रजनी चौपड़ा ने शहद को बिल्कुल नए और टिकाऊ रूप में हनी पाउडर के रूप में विकसित किया है। यह बिना कृत्रिम रसायन प्रक्रिया के तैयार किया गया है।

■ शहद के पारंपरिक स्वाद, सुगंध और औषधीय गुणों को बरकरार रखा है। स्वास्थ्य के लिए यह उत्पाद लाभदायक है। इसमें कैलोरी कम और फाइबर की मात्रा अधिक है, जिससे ये जल्दी पचेगा। हनी पाउडर को हर्बल चाय, बेकरी उत्पाद, हेल्थ सप्लीमेंट्स, पेय और बाकी खाद्य उत्पादों में मिला सकते हैं।

**ओडीओपी से मिलेट्स के अनगिनत स्वाद**

वर्ल्ड फूड इंडिया मेले में दिखा कि एक जिला-एक उत्पाद (ओडीओपी) के तहत देशभर में मिलेट्स से अनगिनत खाने के सामान बनाए जा रहे हैं। ये रंग, रूप और स्वाद में भी बिल्कुल अलग हैं। इनसे स्वास्थ्य से होने वाला लाभ ही इन्हें लोगों के बीच लोकप्रिय बनाएगा। रविवार को ये मेला खत्म हो गया, लेकिन नवंबर में होने वाले ट्रेड फेयर में इन्हें दिल्लीवासी खरीद पाएंगे।

आया कि कैसे इसे लंबे समय तक सुरक्षित रखने के साथ स्वादिष्ट रूप दिया जाए।

## نقشہ - کے ذریعے اونٹنی کے دودھ سے تیار کردہ ڈسکٹ: شوگر کے مریضوں کیلئے نیا وردان

نئی دہلی (نامہ نگار) بھارت منڈیم میں جاری ورلڈ فوڈ انڈیا 2025 میلے میں، ہال نمبر 14 میں K-NIFTEM نے ایک ایسی چیز پیش کی جس نے سب کی توجہ مبذول کر لی۔ اونٹنی کے دودھ سے بنی ڈسکٹ۔ اس منفرد پروڈکٹ کو K-NIFTEM، سونی پت کے سائنسدانوں نے تیار کیا ہے، اور اسے ڈیابٹیس کے مریضوں کے لیے ایک اعزاز سمجھا جاتا ہے۔

**اونٹ کا دودھ خاص کیوں ہے؟** سائنسدانوں کا کہنا ہے کہ اونٹنی کا دودھ دواؤں کی خصوصیات سے بھرپور ہوتا ہے اور اسے ڈیابٹیس کے مریضوں کے لیے انتہائی فائدہ مند سمجھا جاتا ہے۔ اونٹ کا دودھ عام طور پر چلہی خراب ہو جاتا ہے، اور ابلنے سے اس کی غذائیت کم ہو جاتی ہے۔ یہ وہ جگہ ہے جہاں K-NIFTEM کی تحقیقی ٹیم نے ایک اونٹ کا آئیڈیا پیش کیا۔ تاکہ اسے طویل عرصے تک محفوظ رکھا جاسکے اور اسے مزیدار بنایا جاسکے۔

**ہاسی پریشر ڈسکٹ:** محققین نے بیکائیر سے اونٹ کا دودھ حاصل کیا اور جدید ہائی پریشر، غیر قرمل پروسسنگ ٹیکنالوجی کا استعمال کیا۔ اس نے جراثیموں کو تباہ کر دیا اور دودھ کی ہیلت لائف کو بڑھا دیا۔ پھر، ایک خاص کپیریشن تکنیک کا استعمال کرتے ہوئے، دودھ کو پاؤڈر میں تبدیل کیا گیا اور ایک گول ڈسکٹ کی طرح "Diskit" بنا دیا گیا بغیر بیکنگ کے۔ یہ دو ڈانٹوں میں دستیاب ہے۔ الپچی اور نیلا۔

**غذائیت سے بھرپور:** ہر 20 گرام ڈسکٹ میں تقریباً 20% پروٹین، 19.3% چکنائی، اور تقریباً 48% کاربوہائیڈریٹ ہوتے ہیں، جو اسے ڈیابٹیس کے مریضوں کے لیے ایک متوازن اور توانائی بخش ناشتے کا اختیار بناتے ہیں۔ 20 گرام پروٹین دودھ پر مبنی ہے جس کی حیاتیاتی دستیابی یا قاعدہ پروٹین سے زیادہ ہے۔ تقریباً 100 گرام ڈسکٹ کا ایک پیکٹ تقریباً 1 پونڈ انسولین کے مساوی زبانی دستیابی فراہم کر سکتا ہے۔

**دل جیتنے والی تحقیق:** ڈاکٹر ہر چندرا برائے K-NIFTEM کے ڈائریکٹر، نے بتایا کہ انشی ٹیوٹ اس طرح کے کئی مطالعہ کر رہا ہے۔ ایسوی ایٹ پروڈیوسر انکورپوریشن کی نگرانی میں تیار کیا گیا یہ پروڈکٹ ڈیابٹیس کے مریضوں کے لیے ایک محفوظ اور مفید آپشن ہے۔

## पारंपरिक व्यंजन ही आधुनिक सुपरफूड का आधार

नई दिल्ली, (वीअ)। क्या आपने कभी सोचा है कि आपकी थाली में रखा कटहल, फर्मेंटेड चावल या रागी मिलेट कल को दुनिया का सबसे लोकप्रिय सुपरफूड बन सकता है? वर्ल्ड फूड इंडिया 2025 के चौथे दिन आयोजित विशेष पैनल चर्चा में यही विचार सामने आया कि भारत के पारंपरिक व्यंजन और देसी सामग्री आज की हेल्दी लाइफस्टाइल और ग्लोबल हेल्थ ट्रेंड्स का आधार बन सकते हैं। पैनल चर्चा में वक्ताओं ने कहा कि भारतीय खानपान केवल स्वाद और परंपरा की बात नहीं करता, बल्कि यह स्वास्थ्य, पोषण और नवाचार का भी परिचायक है। भारत के पास ऐसे अनगिनत पारंपरिक व्यंजन हैं जिनमें भविष्य के सुपरफूड छिपे हुए हैं। मॉडरेटर राजेश तारा (फूड एंथुज़ियास्ट व पॉडकास्टर) ने शुरुआत करते हुए कहा कि भारतीय रसोई एक खजाना है, जहां हर सामग्री में सेहत और स्थिरता छिपी है। हमें इन्हें दुनिया के सामने नए रूप में लाना होगा। डॉ. कुरुश एफ. दलाल (आर्कियोलॉजिस्ट व फूड हिस्टोरियन) ने इतिहास से उदाहरण देते हुए बताया कि हमारी दादी-नानी के नुस्खे केवल घरेलू इलाज नहीं थे, बल्कि आज के समय में इन्हें वैज्ञानिक रूप से सुपरफूड कहा जा सकता है। उन्होंने यह भी कहा कि भारतीय खानपान की ताकत इसकी विविधता और स्थानीय मौसमी सामग्रियों में है। प्रिथा सेन (वरिष्ठ पत्रकार व क्यूलिनरी रिसर्चर) ने कहा कि युवा पीढ़ी को पारंपरिक व्यंजनों को त्यागने के बजाय उन्हें नए अंदाज़ में अपनाना चाहिए। उनका मानना है कि पारंपरिक सामग्री को अगर आधुनिक प्रस्तुति और तकनीक के साथ पेश किया जाए तो यह दुनिया के हर डाइनिंग टेबल तक पहुँच सकती है।

### PM Modi Highlights India's Role In Global Food Security At World Food India 2025

Prime Minister Narendra Modi said that global investors, especially those in the food sector, are looking towards India with great optimism. Addressing the World Food India 2025 programme in New Delhi yesterday, the Prime Minister underscored that strong domestic demand gives India a competitive edge and makes it a preferred destination for investors. Acknowledging the challenges of the twenty-first century, PM Modi said India has consistently stepped forward to play a positive role whenever global challenges have arisen. He highlighted that India continues to contribute actively to global food security.

Reliance Consumer Products Ltd (RCPL) on Thursday signed a Rs 40,000-crore agreement with the Food Processing Industries Ministry to establish integrated food manufacturing facilities across the country, according to sources.

The Memorandum of Understanding (MoU) to this effect was signed at the World Food India 2025 event here, the sources said.

Reliance Industries had announced the investment plan at its annual general meeting in August, saying it would create "Asia's largest integrated food parks with AI-driven automation, robotics, and sustainable technologies."

RCPL, which emerged from Reliance Retail and became a direct subsidiary of Reliance Industries, has become one of India's fastest-growing fast-moving consumer goods companies, generating revenue of over Rs 11,000 crore in just three years since inception.

Reliance Consumer Products Ltd (RCPL) on Thursday signed a Rs 40,000-crore agreement with the Food Processing Industries Ministry to establish integrated food manufacturing facilities across the country, according to sources.

The Memorandum of Understanding (MoU) to this effect was signed at the World Food India 2025 event here, the sources said.

Reliance Industries had announced the investment plan at its annual general meeting in August, saying it would create "Asia's largest integrated food parks with AI-driven automation, robotics, and sustainable technologies."

RCPL, which emerged from Reliance Retail and became a direct subsidiary of Reliance Industries, has become one of India's fastest-growing fast-moving consumer goods companies, generating revenue of over Rs 11,000 crore in just three years since inception.

Prime Minister Narendra Modi, speaking at the World Food India 2025 at Bharat Mandapam, New Delhi today, said India has the triple strength of diversity, demand and scale because of which it is continuously contributing to the global food security. The PM said that as India continues to innovate in the food sector, it's the right time for global players to expand in the country.

"In the last 10 years, 25 crore people in India have overcome poverty. Today, India is the world's third-largest start-up ecosystem, with many start-ups working in the food and agriculture sectors," the Prime Minister said, adding that all of these people have now become part of the neo-middle class.

The four-day event will be inaugurated by Prime Minister Narendra Modi, in the presence of Russian Deputy Prime Minister Dmitry Patrushev, Union Minister Nitin Gadkari, Paswan, and Minister of State Ravneet Singh Bittu.

At the press briefing ahead of the fourth edition of World Food India (WFI) 2025, scheduled from September 25-28 at Bharat Mandapam, New Delhi, Union Minister of Food Processing Industries Chirag Paswan said that GST relief had been a long-standing demand from stakeholders in the food processing sector.

"It's been more than a year since I took charge of this ministry, and every time I met industry leaders, the first concern was the need for relief in GST. It gives me great joy that today most items under my ministry are either at 5% or 0%," he said. The move, announced ahead of the festive season, is "a big relief for citizens and a reform that will strengthen India's economy in the coming days."

### World Food India 2025 strengthens India's position in global agri-food value chains

Tuesday, 30 September, 2025, 08 : 00 AM [IST]

#### Our Bureau, New Delhi

The four-day World Food India 2025 concluded at Bharat Mandapam, Pragati Maidan, marking a landmark moment in the journey of India's food processing sector. The event, inaugurated by Prime Minister Narendra Modi in the presence of the deputy Prime Minister of Russia Dmitry Patrushev, Union Ministers Chirag Paswan and Prataprao Jadhav, and Minister of State for Food Processing and Railways Ravneet Singh, brought together global leaders, policymakers, industry captains, and innovators to deliberate on the future of food and agriculture.

In his inaugural address, Prime Minister emphasised India's role as a reliable global supplier, highlighting its agricultural diversity, rising middle-class demand, and government initiatives such as 100% FDI, the Production Linked Incentive Scheme, and Mega Food Parks. On this occasion, the Prime Minister also released credit-linked subsidies to 26,000 beneficiaries for micro projects worth Rs 2,518 crore under the PMFME scheme, reflecting the government's commitment to empowering grassroots entrepreneurs.

Over the course of the summit, World Food India 2025 facilitated the signing of Memorandums of Understanding worth more than Rs 1,02,000 crore, representing one of the largest-ever investment commitments in the Indian food processing sector. The Ministry of Food Processing Industries also enabled collaborations with leading academic and research institutions including NIFTEM-T and NIFTEM-K, supporting technology transfer and partnerships in food fortification, nutraceuticals, and start-up incubation.

Prime Minister Narendra Modi, speaking at the World Food India 2025 at Bharat Mandapam, New Delhi today, said India has the triple strength of diversity, demand and scale because of which it is continuously contributing to the global food security. The PM said that as India continues to innovate in the food sector, it's the right time for global players to expand in the country.

"In the last 10 years, 25 crore people in India have overcome poverty. Today, India is the world's third-largest start-up ecosystem, with many start-ups working in the food and agriculture sectors," the Prime Minister said, adding that all of these people have now become part of the neo-middle class.

The four-day event will be inaugurated by Prime Minister Narendra Modi, in the presence of Russian Deputy Prime Minister Dmitry Patrushev, Union Minister Nitin Gadkari, Paswan, and Minister of State Ravneet Singh Bittu.

At the press briefing ahead of the fourth edition of World Food India (WFI) 2025, scheduled from September 25-28 at Bharat Mandapam, New Delhi, Union Minister of Food Processing Industries Chirag Paswan said that GST relief had been a long-standing demand from stakeholders in the food processing sector.

"It's been more than a year since I took charge of this ministry, and every time I met industry leaders, the first concern was the need for relief in GST. It gives me great joy that today most items under my ministry are either at 5% or 0%," he said. The move, announced ahead of the festive season, is "a big relief for citizens and a reform that will strengthen India's economy in the coming days."

### BL Agro aims to become USD 2.25-bn group by 2030 to invest Rs 3 000 cr in 5 years

New Delhi, Oct 5 (PTI) Uttar Pradesh-based BL Agro, which mainly sells edible oils and processed food items, will invest Rs 3,000 crore to expand its business and achieve an aggressive target of growing its revenue 2.5 times to Rs 20,000 crore in the next five years.

In an interview with PTI, CEO Navneet Ravikar said the company would make these investments to fund expansion plans across various food categories like rice and milk.

BL Agro Group, which sells cooking oils under the brand 'Bail Kolhu' and processed food items under 'Nourish' and other brands, had a turnover of around Rs 8,000 crore in 2024-25 fiscal.

The Bareilly-based family-owned group has plans to invest around Rs 3,000 crore in the next five years on expansion of several projects, which include setting up a rice business along with milk. It will also set up a 360-degree value chain with manufacturing to processing unit, along with a feed processing and CBG (Compressed Bio Gas) units, he said.

As part of its growth strategy, the BL Agro group is focusing on creating an ecosystem around its new businesses with a 360-degree approach, where a by-product of one unit would serve as a raw material for another. Moreover, it is also trying to involve the community in projects.

When asked about the investments, Ravikar said: "Yes, we are planning to invest Rs 3,000 crores in the next five years."

About the modes of funding, he said it would be a joint venture as well as through internal accruals.

### BL Agro Targets ₹20,000-Crore Milestone by 2030, to Invest ₹3,000 Crore in Expansion Drive

October 6, 2025

BL Agro Group, the maker of popular brands *Bail Kolhu* and *Nourish*, has unveiled an ambitious plan to become a USD 2.25-billion (₹20,000-crore) group by 2030, backed by an investment of ₹3,000 crore over the next five years. The company aims to more than double its current revenue of ₹8,000 crore by entering new categories, scaling manufacturing, and tapping global partnerships.

"We are planning to invest ₹3,000 crore in the next five years to fund our expansion into new food categories like rice and milk," said Navneet Ravikar, CEO of BL Agro, in an interview with PTI. The group plans to establish a 360-degree value chain encompassing manufacturing, processing, feed units, and Compressed Bio Gas (CBG) facilities, ensuring sustainability and community participation.

The investment will be financed through a mix of joint ventures and internal accruals, Ravikar said, adding that several international companies from Russia, the Middle East, Europe, and South America have shown interest in partnering with BL Agro.

The group recently signed an MoU with the Ministry of Food Processing Industries (MoFPI) to invest ₹1,660 crore in a greenfield integrated agro-processing project in Bareilly, featuring a fully automated rice mill and edible oil refining plant.

The Agricultural and Processed Food Products Export Development Authority (APEDA), under the Ministry of Commerce & Industry participated as the Export Partner in the 4th edition of World Food India (WFI) 2025, held at Bharat Mandapam, Pragati Maidan, New Delhi.

With 142 exhibitors and 120 stalls, APEDA's pavilion showcased the diversity of India's agri-food sector, including GI-tagged products, Basmati rice, millets, organic produce, livestock products, and value-added foods. The pavilion also featured dedicated thematic zones such as the GI Gallery, Fresca Zone, Basmati Export Development Foundation stall, and a Bharti Zone focused on startups and innovation.

As Export Partner, APEDA organised the Reverse Buyer-Seller Meet (RBSM), which attracted more than 530 international buyers from 68 countries, including leading supermarket chains such as Walmart, Nesto, Al Madina, Mustafa Singapore, and Choithram. Over 4,654 curated B2B meetings were held during the event, providing Indian exporters and startups an unprecedented platform to explore new markets, showcase innovative products, and establish long-term business linkages.

APEDA further strengthened global market access by signing a strategic Memorandum of Understanding (MoU) with LuLu Hypermarket LLC on September 25, 2025. The collaboration, under the BHARTI (Bharat's Hub for Agritech Resilience, Advancement and Incubation for Export Enablement) Initiative, will provide Indian agri-food startups shelf space across 252 LuLu outlets in the GCC, along with product sampling campaigns, consumer engagement, and access to LuLu's export division for global distribution.
